### Thursday, September 19, 2019 at Lunch

The title of this year's Keynote Address by Julius Rhodes is ***You've Been Charged***. His audience interactive presentation examines how we should consistently represent ourselves to stakeholders, what our standards of excellence say to others and how our personal and professional brand impacts our ability to gain support for our vital work.

Mr. Rhodes is the Founder and Principal of the mpr group ([www.mprgroup.info](http://www.mprgroup.info)) and has been a successful business owner and EHS professional for 25 years. He graduated from Roosevelt University, Loyola University, has completed a certified arbitrator development program through Cornell University, completed his coursework towards a Ph.D at Loyola University and is an adjunct instructor at the Milwaukee School of Engineering. He authored two books, *Brand: You: Personal Branding for Success in Life and Business*, and *Brand YOU The Workbook*, is a lifetime Senior Professional in Human Resources and has spoken internationally and nationally on a wide range of topics. He also knows the realities faced by safety professionals and truly believes that safety professionals save lives. He is a past conference attendee and we are pleased to welcome him back as he shares his knowledge and experiences.
